PETITION TO BUILD THE TWEED SECTION OF RAIL TRAIL **OFF** THE RAILWAY FORMATION AND SAVE THE TRACKS FOR LIGHT RAIL COMMUNITY TRANSPORT

Dear Tweed Shire Councillors,

PLEASE DON'T RIP UP THE TRACKS, leave them for possible future light rail services (as Byron Shire Council have proven is possible).

WE WERE NOT CONSULTED!!! Build the Rail Trail alongside the existing tracks.

We the undersigned residents of the TWEED SHIRE urge you to think very carefully, consider your constituents and consider our request.

Please contact Marie Luxford for collection: 0401 833 164
